Starting Strong
Healthy support for expecting moms and families

Healthy actions are rewarded at the Starting Strong store!

As a Jackson Care Connect member, our Starting Strong Program helps you and your family get off to a healthy start. From rides to health-related appointments to prenatal vitamins, we have many ways to support you. And we also reward you for taking care of yourself and children up to age 4.

Your providers and community resources will give you a voucher for certain actions.

You can earn vouchers for:
- Pre-natal and postpartum doctor visits
- Well-child visit and vaccinations
- WIC appointments and classes
- Home visiting and early intervention programs
- Dental visits for mom and baby
- Many more!
