When people talk about Medicaid in Oregon, you may hear them say a lot of different names or letters. That's because there are many organizations involved in making sure you get the care you deserve. How can you make sense of it all?

## It helps to think of Medicaid in Oregon like a pyramid

**Oregon Health Authority (OHA)** runs the Medicaid program for the entire state of Oregon, which is called the Oregon Health Plan (OHP).

**Jackson Care Connect** is what's called a coordinated care organization (CCO). Oregon's CCOs exist to provide health insurance and much more. We look at the broad picture of your health and help with other services you wouldn't expect from a health care company. We also work with community partners to give you access to better health.

**Your primary care provider (PCP)** might be a doctor, a nurse practitioner, a physician's assistant or a naturopath. They coordinate your care with Jackson Care Connect and other medical team members like dentists, mental health providers, pharmacists and others.

### Jackson Care Connect provides services like these for Medicaid (OHP) members:

- ▶ Physical health care
- ▶ Mental health care
- ▶ Dental care

### You'll also be able to use important services like these:

- ▶ Care coordination
- ▶ Pharmacy
- ▶ Prenatal and infant care
- ▶ Transportation options
- ▶ Language interpreter services
- ▶ ER & urgent care
