

Get to know **ALL** of your benefits

Focus: Pharmacy benefits and services

Our members rely on medications to get and stay healthy. **That's why we pay for many prescription drugs.** We want to make sure you have the medications you need. If you urgently need a drug that's not covered, call Customer Service at **855-722-8208** or **TTY 711**.

Covered medications

Many prescriptions are paid for under your Medicaid drug coverage, but not all of them are. **The formulary is a booklet showing which drugs we cover.** When your provider prescribes a medicine, ask if it's on Jackson Care Connect's formulary.

Refills

Most prescriptions are limited to **31 days or less**. For most medications, the earliest date you can get a refill is 23 days after you filled your last prescription. We fill 90-day prescriptions for many medications that treat chronic diseases.

Limits on prescriptions

These drugs are not covered:

- ▶ Drugs not on our formulary.
- ▶ Drugs that treat conditions not covered by the Oregon Health Plan.
- ▶ Drugs for cosmetic purposes.
- ▶ Drugs not approved by the FDA.
- ▶ Drugs not approved for your condition.

Other limits:

- ▶ You may receive generic drugs rather than name-brand drugs.
- ▶ You may have to try other drugs first (also known as step therapy).
- ▶ The drug may be restricted by age.
- ▶ The drug may have quantity limits.
- ▶ Your prescription may require pre-approval.
- ▶ Your pharmacy will need to bill OHA directly for mental health prescriptions.

Your pharmacy benefit also includes:

- ▶ Reviewing medications with a pharmacist to make sure they interact well together.
- ▶ Some over-the-counter drugs, when you have a prescription.
