III. Word on the Street – All	<ul style="list-style-type: none"> A CAC member shared about current work with a group that is addressing health care access for deaf, blind and hard of hearing patients. There is a YouTube video (see attached) that explains best practices of how to best communicate with deaf patients. They would like to see if JCC could use this video as a unit that is shared with providers in addressing the meaningful language access metric. A CAC member shared about a local group that addresses the need for accessible parking spaces, particularly for health care patients, and will share more about the work as it progresses. A CAC member shared about the Ashland Homeless Master Plan group he is involved in. A survey is being created for Medford and Ashland homeless service providers, with the intent to learn what possible best solutions exist for Ashland. There is a 6-month timeline for this master plan to be completed. Will connect with Sam Watson 	<ul style="list-style-type: none"> Link to Youtube video of best practices 	

	<p>to follow-up for assistance in outreach of the survey.</p> <ul style="list-style-type: none"> • A CAC member shared about launching a campaign on “Why school is important”, and how to get connected with partners/volunteers.
