

Food is FUNdamental!

Our local food banks are dealing with heavy demands and if the government shutdown continues, SNAP benefits will not be there for families as of November 1!

We want to get everyone who can to donate to their local food bank **this week!** A list of local food banks is attached and please consider donating. Share the love. Share the food.

If you're unable to get to the store this week, here's a link. Funds raised will be evenly divided among local food banks!

Give Where You Live! Food Pantry list is attached.

Save client's gas money!

"Food is fundamental. No one is prepared to tackle any other life problem when their stomach is roiling, or their children are unfed. At this time of extraordinary need, we are asking the community to double down on support for the neighborhood food pantries that will provide basic sustenance for individuals and families at high risk of hunger.
