

## Starting Strong Virtual Opening

Starting Strong is OPEN virtually to order from a short list of items.

### New "NO -CONTACT" ordering process:

- Fill out order form for desired items and submit it to Starting Strong (ways to submit order are listed on back).
- Once the order form is received, Starting Strong staff will contact you if there are any questions on your order. Otherwise, we will submit order for delivery.
- Starting Strong staff will need to verify vouchers **before** the order is placed.
  - If you submitted your vouchers **with** the order form in the drop box, you do not need to do anything else.
  - If you **did not** use the drop box to submit your order, Starting Strong staff will give you instructions on how to verify your vouchers when they contact you. Your physical vouchers need to be submitted to Starting Strong before the order can be placed.
- The order will be placed and will be delivered directly to the member.
- Once the items are received, please let us know if there is any damage or any missing items from your order.

## Ways to obtain an order form:

- Info box located at **313 S. Ivy Street**. Box is located up the ramp on the right side (this is the address for ordering until further notice as we are currently relocating the Starting Strong store)
- From OB or pediatric provider
- From other providers (home visiting program, WIC, etc.) (available depending on status of in person services at that time)
- Call or email Starting Strong and we can email one
- On the Jackson Care Connect website. Find it by clicking these links in order on the website
  - For members→Wellness Benefits→Strong Families→Starting Strong

## Ways to submit an order form and vouchers (All orders will need verification of vouchers prior to the order being placed)

- **Preferred method:** submit order form and needed vouchers in drop box at the 313 S. Ivy Street location, next to the information box.
- If you are unable to submit the order form and vouchers at the 313 S. Ivy Street location, please contact us at [startingstrong@jacksoncareconnect.org](mailto:startingstrong@jacksoncareconnect.org) and we will work with you to get your order submitted. This is not a first-choice option.

If you have any questions or need any additional help please email us at [StartingStrong@JacksonCareConnect.org](mailto:StartingStrong@JacksonCareConnect.org) or call us at [541-494-1004](tel:541-494-1004).

If you have immediate or urgent needs, please contact The Family Nurturing Center at 541-799-5242. They are supporting our community with many things.

We appreciate your patience during the time Starting Strong has been closed and we look forward to continuing to find ways that we can safely serve you.

Thank you and we miss you all,

~Starting Strong program staff
